

# EVERSTEEL™

The reliability of T&S, now in  
**TRUE STAINLESS STEEL**

As timeless as it is durable, T&S' EverSteel line is crafted from premium stainless steel. EverSteel recreates time-proven designs with its heavy-duty, lead-free material, designed to meet all global certification requirements. With superior-grade, easy-to-clean stainless, unparalleled build quality and at a lower price point than you would expect, T&S' EverSteel line is in a class by itself.

## T&S' EVERSTEEL OPTIONS ARE AVAILABLE IN MANY CATEGORIES:

- Manual faucets
- Pre-rinse units
- Mini pre-rinse units
- Spray valves
- Glass fillers
- Accessories

## ECONOMY

equip

### T&S' EQUIP LINE
