

PORTABLE SINK

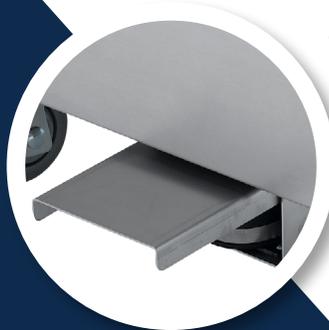

Stainless Steel Portable Handwashing Stations

Designed to provide handwashing capabilities in areas not normally equipped for it, portable handwashing stations are safe for both indoor and outdoor use.

Portable handwashing stations are designed to allow for convenient flat-pack shipment, as well as quick and easy setup.

- Durable **stainless steel** construction
- **Open back** allows easy access to plumbing
- Flat packed for **easy shipment and storage**
- **Easy assembly** — only 7 pieces
- **Removable front panel** for easy access if placed against a wall

- Can be used **indoors and outdoors**
- **Hands free** activation available
- **Foot-pump** model TPS1010 can go completely “off-grid,” manually pumping water to the faucet

- Includes **rubber feet** for stationary use
- **Optional** backsplash with paper and soap holder
- **Optional swivel casters** allow for easy transport
