Great Reasons To Specify T&S Brass

▼ 24-Hour Quick Ship

Call in your order before noon for same day processing and fast turnaround. You never have to worry about downtime or finding room for inventory. We make sure your order arrives when you need it.

▼ Outstanding Customer Service

A T&S trademark – our highly trained, friendly and knowledgeable staff answers your calls without delay. Established customers can also access T&S through E-Store, our online ordering website that gives you anytime, anywhere convenience with ordering, tracking shipments and more. Register today at <http://register.tsbrass.com>

▼ Custom Engineering and Modifications

Our engineers have the technical expertise and qualifications to design and build to your specific requirements. When needed, we can customize your order, so with confidence we say, "We can make it like you want it and get it to you when you need it."

▼ Interchangeability

For more than 60 years, our products have been manufactured to work together – handles, spouts, inlets, aerators and accessories. Our interchangeable philosophy gives you exceptional flexibility and performance efficiencies that are unsurpassed. Our standardized parts allow you to carry less inventory.

▼ Energy and Water Conserving Design

T&S understands how vital water conservation is today. We lead the way in the foodservice and plumbing industries with our extensive line of water- and energy-saving products that meet and exceed conservation requirements while not compromising performance.

▼ East and West Coast Warehouses

Our warehouses are located on both coasts so we can serve you better and faster. Customer service representatives are available to take your calls between 8:00 a.m. EST and 5:00 p.m. PST.

West Coast 1-800-423-0150 • East Coast 1-800-476-4103

Quality and Innovation

Founded on a commitment to quality and innovation, T&S Brass introduced the industry's first pre-rinse unit.

Ever since that time we have set the standard for new products designed to keep up with evolving applications while cutting installation time. Our heavy-duty brass castings and cartridges have proven themselves as long-term fixtures in many commercial applications. And we're a leader on product safety.

Extensive Product Line

We offer an extensive range of products for practically every industry – from plumbing and foodservice to laboratory, institutional, medical and even the pet market. You'll find T&S in restaurants, hospitals, schools and hotels around the world. Whatever your application needs, we've got you covered or we'll work with you to create the best possible solution.

Rigorous Testing

At T&S, we test every single product we manufacture. Reliability Built In™ means nothing gets past us, and you'll never have to worry about product performance.

Family Owned and Operated

Founded in 1947, T&S is a family owned and operated business committed to quality, innovation and the highest service to our customers. We manufacture products to solve real world problems and services designed to make your life simpler.

Codes and Compliances

T&S products are manufactured to the highest standards in the industry, and are certified by a wide variety of national and international organizations, such as ISO, CSA, UL, NSF, IAPMO, ASSE and the list goes on. We are committed to the safety and reliability of each fixture we make. When specific issues arise such as safe drinking water concerns* or water pressure limitations, you can trust us for solutions and products that are up to code.

** T&S products are ANSI/NSF Standard 61, Section 9 certified.*
