

SUPERIOR FEATURES OF OUR REDESIGNED FAUCETS and PRE-RINSE UNITS

Over the last year we launched a series of modern updates of our pantry faucets and pre-rinse base faucets. This extensive redesign included our workboard, wall- and deck-mount, single hole-single temperature and single hole-dual temperature faucets, and add-on faucets.

Phases 11-14 have launched recently and include centerset faucets, concealed wide-spread faucets and some service sink faucets. They are detailed on the back of this flyer.

FEATURES / UPDATES

- A** NOW ALL FAUCET BODIES ARE SWIVEL/RIGID
 - A lock washer is included for rigid applications; insert in base of faucet.
- B** REDESIGNED BONNET AND PACKING NUT
- C** SLEEK HANDLES UPDATE FAUCETS
- D** NEW DESIGN FOR INDEXES
- E** LAMINAR FLOW OUTLET DEVICE HAS MODERN LOOK
- F** SWIVEL NUT COORDINATES WITH REDESIGN
- G** ALL CARTRIDGES COME STANDARD WITH CROSS FLOW PREVENTION
 - Choice of either:
 - Quarter-turn Eterna compression with spring check, **or**
 - Quarter-turn Cerama with integral check valves.
